

Prayer:

Lord Jesus,
when you were on earth, you invited people to follow you. Some people you even asked to give their whole life to the work you had begun—to helping others know God loves them, to healing them, to teaching them, to listening to them.

You still ask people today to give their whole life to your work. If I am one of these people, Jesus, I want to answer you with my whole heart with a big "Yes! I will do whatever you want. I want to be near you and love you all my life!"

Please, Mary, Mother of Jesus, help me. Amen.

Activities:

Invite a priest or sister from your parish over for dinner. Ask them to tell their vocation story.

Write a letter to a seminarian (someone studying to be a priest) and find out what he likes most about his life?
